| **Chart #2** | Items needed:  
  - Empty lipstick or chap stick case  
  - Piece of cloth about 1 ¾ x 2 ¾ “  
  - Needles and any color thread  
  - Straight pins  
  - Safety pins  
  
  Clean out the lipstick left in the case. Cleansing tissues, cotton or Q-tips are good for this. Be sure to do it over a newspaper so as not to make a mess. Cut the piece of cloth 1 ¾ x 2 ¾ inches or to fit the empty case. Flannel or felt cloth is good to use.  
  
  Fasten several needles, straight pins and safety pins to the cloth. Cut lengths of different colored thread about 12 inches long. Wrap the pieces loosely around the needles.  
  
  Roll the piece of cloth with pins and needles on the inside and insert in the empty case. |
| **Chart #3 Summary** | To summarize my demonstration, a Quickie Sewing Kit is:
