

Visual Impairment

You are partially blind. The only vision you have is what you can see through these glasses. Put on these glasses and complete the following challenges:

Challenges:

- ◆ *Station 9:* Shuffle the deck of cards and deal out four hands of five cards.
- ◆ *Station 2:* Sort the laundry into three piles by color (blues, greens, and reds). Carry the laundry to the washing machine. Place in the machine and then remove.
- ◆ *Station 3:* Sit in a chair and watch the program on television. Write a brief sentence about what you observed on the television.
- ◆ *Station 17:* Place three pieces of the puzzle in the correct location.

Visual Impairment
