

# Skill-a-Thon

## Wildlife

### Animal Tracks

#### Supplies Needed

Real track casts (ideal), labels

Or

Diagram and labels

#### Situation

You are preparing for a field trip with your outdoor adventures project group and you are interested in learning the different types of tracks that common wildlife make in your area.

#### Task

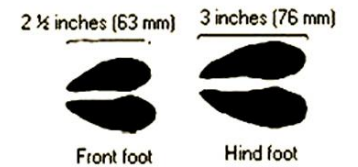

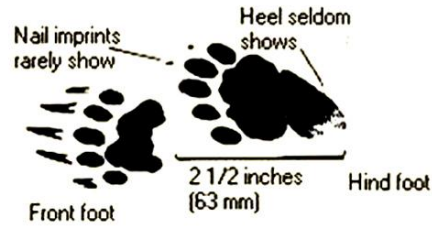

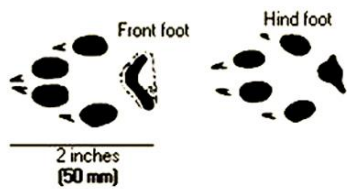

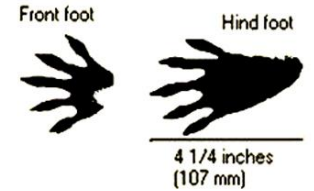

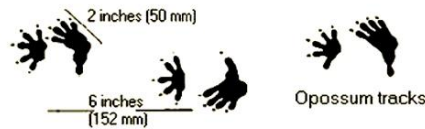

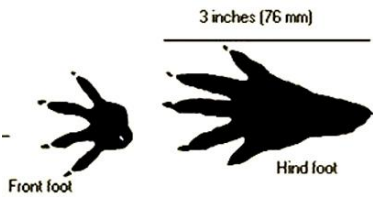

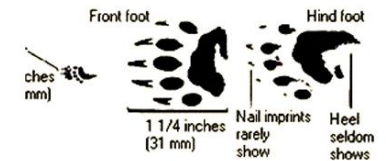

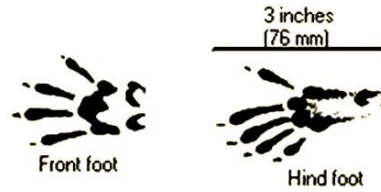

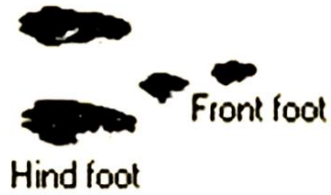

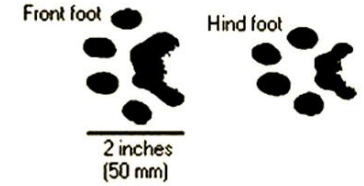

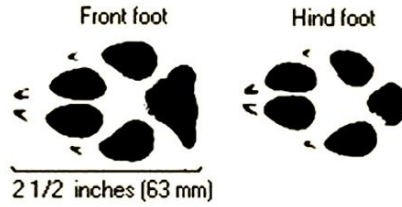

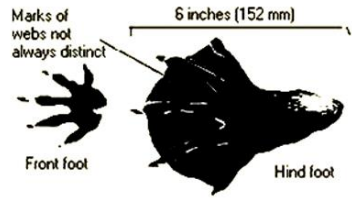

Correctly identify the animal with its tracks.

#### Directions

With the tracks provided, use the labels to correctly identify the animal name with the tracks it makes.

# Animal Tracks Diagram

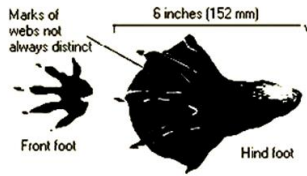

## Flash Cards

Beaver	Raccoon	White Tailed Deer
