Welcome to Summers @ Mizzou!
We are excited you have decided to spend some of your summer on the University of Missouri campus and look forward to meeting you. This packet of information is to prepare you for camp. If you have any questions not answered by this letter, please contact Teresa Bishop at bishopta@missouri.edu or 573-884-0554.

Locations:
The following workshops will be held on the University of Missouri, Columbia, MO campus, July 24-28th: Network Forensics for Hacker Trackers, Dog Days of Summer and Arts as a Portal to Science. Students staying on campus will be housed in Schurz Residence Hall. Driving directions can be found at http://map.missouri.edu/index.html?bldg=37132

Check-in/Registration:
All camping participants must pick up their registration materials and room assignments between 6:00-7:00 pm Sunday, July 24th in the Schurz Residence Hall main lobby. Day campers will participate in our basic rules session and will meet with their camp group. They will be free to leave by 8:30 p.m. Sunday evening. Daily drop off locations for day campers will be announced during our opening assembly. They should be dropped off by 7:45 a.m. each morning, Monday-Thursday, they should be picked up from the Schurz lobby by 5:00 p.m. Day campers must be picked up by 5:00 p.m. each day. All campers should be picked up by 3:30 on Thursday, July 28th.

Parking:
Participants with cars should park in the lot assigned when you pick up your hangtag during registration. All cars parked on campus MUST have a hangtag. Hangtags should have been purchased during registration. If you did not purchase a hangtag during registration and need one, contact Sherry Grace at gracesk@missouri.edu by June 29. Once participants have unloaded and parked their cars they must turn the keys in to the camp director. Parking without a hangtag may result in your car being towed. Participant parking as well as parents for drop-off and pick-up will be in the AV8 Lot.
Campus Construction:
Be sure to allow yourself plenty of time to find the Check-in areas. There is a lot of construction on campus this summer and it changes daily. You may have to take a couple of detours before you get where you want to go.

Prescriptions
Because we are so close to the University Health Care system we do not have a camp nurse. Campers will need to be responsible for taking their own prescriptions when needed.

Guidelines for Conduct:
Please review the below Event Acceptance information that you turned in with your registration. Remember, any infractions of the rules could result in the participant being sent home at their GUARDIAN/PARENTS’ EXPENSE. Parents will be notified to come to Columbia to pick up their son or daughter. No fees will be refunded if a participant breaks the rules or decides not to complete the workshop. For further information, please see the Health/Event Acceptance Form.
